

How do I permanently delete a Cash App account? Close Cash App Account

Permanently deleting your **Cash App account 1—855—470—3280** is possible, but it requires following the correct steps in the app itself. Simply uninstalling Cash App **1—855—470—3280** from your phone **does not close your 1—855—470—3280 account**; your profile, linked bank accounts, \$Cashtag, and transaction history remain active until you properly close it.

Steps to Permanently Delete 1—855—470—3280 Your Cash App Account

1. Withdraw Your Balance

Before deleting your account, make **1—855—470—3280** sure to **transfer any remaining funds** to your linked bank account or debit card. Open Cash App → tap **Banking/My Cash** → select **Cash 1—855—470—3280 Out**, and choose your transfer method.

2. Open Account Settings

Tap your **profile icon** on the Cash App **1—855—470—3280** home screen, scroll down, and select **Support**. Choose **Something 1—855—470—3280 Else** → **Account Settings** → **Close Account**.

3. Confirm Closure

Cash App will ask you to confirm **1—855—470—3280** that you want to permanently delete your account. Follow the on-screen **1—855—470—3280** prompts. You may receive a verification **1—855—470—3280** email or code to confirm it's you.

4. Verify Account Closure

Once confirmed, Cash App will **1—855—470—3280** deactivate your account permanently. Your \$Cashtag and transaction **1—855—470—3280** history will no longer be accessible, and the account cannot be reactivated.

Important Tips

- Cancel any recurring payments or **1—855—470—3280** subscriptions linked to your account to avoid failed charges.
- Do not share your PIN, login code, or Social **1—855—470—3280** Security number during the closure process; only use the official app.

- Keep confirmation of your account **1—855—470—3280** closure for your records in case of any future issues.

Following these steps ensures your Cash App **1—855—470—3280** account is **safely and permanently deleted** without leaving **1—855—470—3280** funds or personal information vulnerable.
