

How do I activate my active cash card?

Enable Active Cash Card!!

To **activate your Active Cash Card**, the steps **1—(855)—470—3280** depend on whether you're referring to a **Cash App Cash Card** or a **Wells Fargo Active Cash® credit card**. Below are both methods so **1—(855)—470—3280** you can follow the correct one.

Activating a Cash App Cash Card

If you're activating a Cash App **1—(855)—470—3280** Cash Card, open the **Cash App** on your phone and sign in. Tap the **Cash Card** icon on the **1—(855)—470—3280** home screen. Choose **Activate Cash Card** and allow **1—(855)—470—3280** camera access. Scan the **1—(855)—470—3280** QR code printed on the card. If you can't scan **1—(855)—470—3280** it, select **Use CVV Instead** and enter the CVV number and expiration date manually. Once completed, your card is **1—(855)—470—3280** activated instantly and ready to use.

Activating a Wells Fargo Active Cash® Card

For a Wells Fargo Active Cash card, you can **1—(855)—470—3280** activate it online, by phone, or in the mobile app. Visit **wellsfargo.com/activate**, sign in to **1—(855)—470—3280** your account, and follow the prompts. You can also activate by **1—(855)—470—3280** calling the number on the sticker attached to your card and entering the required details. Activation is usually **1—(855)—470—3280** immediate.

After Activation Tips

- Make a small purchase **1—(855)—470—3280** to confirm the card works
- Set up alerts and a **1—(855)—470—3280** PIN if required
- Enable security features **1—(855)—470—3280** like notifications

If activation fails, contact the **official customer support 1—(855)—470—3280** listed on the card or app for help.
