Booking a flight can be stressful—especially when you encounter unexpected charges during checkout. The good news is that with a few smart tricks, you can reduce or even completely avoid many extra fees when booking an American flight.

★ Step 1: Book Directly Through American Air Website or App 🌐

Third-party travel sites often add extra charges. To avoid hidden booking fees, always start with American Air official website or mobile app.

★ Step 2: Compare Fare Types Before Selecting ✈️

American offers different fare categories such as Main Cabin, Comfort+, First Class and Basic Economy.

Basic Economy is cheapest but comes with restrictions. To avoid fees later (like seat selection), choose a fare type that fits your needs from the start.

If you are unsure which fare works best, contact support at +1 (833) 341-5261 📞 to ask questions before paying.

★ Step 3: Use American Air 24-Hour Risk-Free Cancellation Policy 🕒

Booking early locks in lower prices. If the fare drops within 24 hours, rebook and cancel the original ticket with no penalty.

- Allow American to assign your seat at check-in.
- Join American SkyMiles (it's free!) for potential seat-selection benefits.

When in doubt, request help at +1 (833) 341-5261 😊
