Booking a flight can be stressful—especially when you encounter unexpected charges during checkout. The good news is that with a few smart tricks, you can reduce or even completely avoid many extra fees when booking a British Airways flight.

## **☆ Step 1: Book Directly Through British's Website or App 🌐**

Third-party travel sites often add extra charges. To avoid hidden booking fees, always start with British's official website or mobile app.

## **☆ Step 2: Compare Fare Types Before Selecting ✨**

## **☆ Step 3: Use British's 24-Hour Risk-Free Cancellation Policy ✅**

Booking early locks in lower prices. If the fare drops within 24 hours, rebook and cancel the original ticket with no penalty.
